You must remain on a 100 Point order, which processes every 30 days\*, to continue using this system. To begin, send a copy of your 100 Point receipt by following the directions at [www.GoGreenGetPaid.com/Training](http://www.GoGreenGetPaid.com/Training) - Training #13.

**\*\* ENDLESS TEAM BONUS, THE HOLDING TANK AND TIMELY PLACEMENT:** If you use the Holding Tank option in your Back Office, you must place each new personal enrollment into your Green Tree, *within the same commission week* they enrolled, no later than Thursday midnight CST (the cutoff for each commission period). If each new enrollment is not placed *before* the cutoff you will forfeit the volume from their order and the Endless Team Bonus for that order, as will everyone up the line. For this reason it is important to place each new enrollment every week, prior to Thursday midnight CST. We recommend making a recurring calendar reminder for this important weekly activity. Additionally we recommend using the Back Office tool which lists everyone in your team who has a full Holding Tank (see the base of My Daily Stats).
