

# ESSANTÉ EARNINGS

Work p/t 7-10 hours a week, as an independent contractor, & enjoy 6 bonuses.  
Be in control of your own business & retire sooner with the highest paid commissions in the industry.

## 1. Retail Sales (Up To 30% Paid Weekly. Unlimited.)

The difference between Retail & Wholesale is paid to you. You don't need to keep inventory.

*Example: As 10 personally enrolled retail customers order 75 points monthly you'll enjoy a \$225.00 monthly residual bonus*

## 2. Go-Green Pack (GGP) Bonuses (\$50 and / or \$100 Bonuses Paid Weekly. Unlimited.)

\$50 commission per \$199 GGP & \$100 commission per \$499 GGP paid on all personally enrolled GGP's. Must be an Executive or higher at time of each GGP enrollment.

## 3. \$500 Express Start Gold Bonus (One Time Bonus In 1st 30 Days. Submit Your Completed Form. See Back Office.)

*Example: Reach Gold in your 1st 30 days, maintain it, submit completed form & you'll enjoy a \$500 bonus\**

## 4. Endless Team Bonus (ETB) (10% Paid Weekly. Unlimited.)

Each week the system calculates your total left & right team volumes & confirms if you are a current Executive or higher. Executives & higher are paid 5% of all volume on both teams to the amount of the pay team (the lesser volume team). This equates to 10% of your pay team volume without caps or limits. The difference in volume between your left & right team is banked on the power team (the greater volume team) & carries over weekly (it does not flush) until you are paid on it. Enjoy possible spillover if the person above you places volume below you. ETB provides true walk-away, residual income. Other companies flush volume regularly causing you to continually work to replace it.

Remove all new enrollments from your holding tank every week & place them on your team to receive credit for their volume. This must be done weekly before Thursday midnight CST (the close of volume & commissions).

*Example: This hypothetical chart is based on each Executive enrolling 2 people & each generating 75 points in monthly personal or retail sales\**
